Pete,
Given the timing deadline for Friday’s meeting, we are sending briefing forward. I just spoke with David and he indicated that Peter will review concurrent to your review of this doc. This PPT is the 12/12 pager converted to PPT as we discussed yesterday (per Mike’s input). Other edits provided by Lisa and team.

Chuck,
Disregard our phone conversation, apologies but this is all moving quickly. Will you please make sure Peter reviews?

Lisa,
This version is from Sharept without comments. Otherwise, it is the most updated version.
